Hello Team Italy!

We can now inform you that EPA Administrator Scott Pruitt will attend the G-7 Environment Ministers Meeting in Bologna, Italy, June 11-12th. He would very much like to make a mission to the Holy See and Rome in the June 13-15 timeframe, flying home on June 16. We have attached a very notional schedule for your consideration and for us to start from during our phone call. We completely understand that times/places/events can change/evolve and that we will work with our Embassy to the Holy See to arrange that part of the schedule.

Administrator Pruitt is very interested in confirming the timing as soon as possible. We have been instructed to confirm the timing with the Embassy and the Italian Ministry by early next week at the latest. We will be asking your help in either contacting Francesco La Camera directly or arranging a call between Francesco and our Acting Assistant Administrator Jane Nishida as soon as possible to discuss this timeframe. Jane and Francesco have interacted several times including at the G-7 in Japan last year.

Themes for the mission will include food waste/loss, environmental innovation, and green sports. I will be happy to discuss each during our teleconference later today. Also, we would want to identify a time perhaps a month ahead of time, that I would come out to do the substantive advance with you and our partners on the ground in Italy.

We look forward to working closely with you to make this first international mission for the new EPA Administrator a success for our Agency and the Embassy. I look forward to speaking with all of you later in the day and to seeing you in Rome.

Best regards, Mark

Hi Anna! Lee will look at our schedules Friday to propose a time. On Monday we're tied up with DOE/NNSA visitors, so tomorrow is better. (Hi Mark! Always great to see your name.) Cheers, [Ex. 6 - Personal Privacy]

Hi, [Ex. 6 - Personal Privacy] — I just tried calling [Ex. 6 - Personal Privacy] phone number and hoped to leave a message but for some reason the answering system didn't pick up.

Would you two be available to schedule a check-in phone call with EPA on either Friday or Monday? We'd like to get your feedback on a few things.

Please let me know your (un)availability and I can send around conference lines.

Best,
Anna
